Union Street Dinner

The next Ⓐ house dinner Saturday 3rd of August at 7pm.
All welcome.

You are Wanted!!

Without contributions, and without people prepared to get involved in producing the Newsletter, there would be no Newsletter!

Support the Newsletter - write an article, respond to what is printed here, tell us what you think of the cartoons. You decide how but contribute!

And if you have the time, why not get involved in producing the Newsletter. This could be done with other people on a regular basis, or just as a one-off.

Whatever way, write to the P.O. Box NOW!

Union Street Meeting Monday 5th August at 6.30p.m.

This meeting is being held to decide on how the Union Street rent surplus, if any, should be used. As decided in February, any ideas had to be in the last edition of the Newsletter. There were three printed, so dig out last month's Newsletter to see what they were! One response has been received and it is printed over the page.

The only other question to decide is whether we extend the tenancies for Union Street. If so, to who and for how long?

NEXT EDITIONS DEADLINE FOR CONTRIBUTIONS 16th August.

A Response To The Submissions.

ANARCHIST MEDIA INSTITUTE

An Anarchist Society is a voluntary, non-heirarchical Society in which the political and social structures are organised so that all people have free and equal access to the wealth and decision making power of that Society.

IN RESPONSE TO THE SUBMISSIONS IN THE JULY ISSUE OF A.N.N.

Thursday 4th July, 1991

In regard to the distrbution of any rent surplus from the A House.

The Libertarian Workers for a Self Managed Society recommends the following:

(1) That surplus funds be principally directed to maintenance and improvements including the A Press, while it remains at Union Street.

(2) Remaining surplus should be put into other areas of Anarchist participation such as the previously recommended bail fund (see letter 6/6/92) and or assistance to the A Warehouse (I.W.C.) provisonal on a 6 monthly review.

We do not however see the aims of the I.W.C. as the same as the articles of principle of the A House, but recognise the common libertarian tradition and as such support this endeavour at this level.

Yours in Peace and Anarchy
