

THERE IS NO ANARCHIST NETWORK NEWSLETTER FOR THIS MONTH.

Sorry but we just couldn't squeeze out the time and energy needed.
There are a few things we thought you should know about however.

In February an Extraordinary meeting at the A house set up two things.

- 1 A timetable to decided what to do with the surplus that renting the house would generate.

June newsletter asks for ideas

July newsletter prints the written requests for money

August 5th meeting decides what to use it on.

- 2 A meeting to decide on renovations to the back section of the house.
Here are the minutes of that meeting on the 17/4/91

Present; Daniel, Leigh, Susie R, Steve R, Rowan (notification from Herve)

Ben got a quote for \$3000 to redo the back roof (two workers for 3 weeks at \$10 an hour and materials) This quote is with cheap timber if we build soon.

Agreed to at least re-roof.

agreed no rent for tenants during renovations.

The meeting discussed combining the storage room and the dark room into a larger. Extending the kitchen to include the laundry space and putting the laundry into the outside shower area was also discussed. This could mean no darkroom with brewing, library and layout reorganised.

Suzie will get a quote for theses building costs. Plumbing and electrical can be done for the cost of materials.

FINAL DECISIONS WILL BE MADE
